SUBJECT: Completion of NIMS Requirements Due by September 30, 2005

As the fiscal year draws to a close, the NIMS requirements for FY 2005 must be completed in order for your jurisdiction to continue to be eligible for homeland security grant funding in FY 2006. This includes the Emergency Management Performance Grant (EMPG) and additional preparedness grants listed in the attached document. The FY 2005 NIMS compliancy requirements and the associated due dates follow:

1. *NIMS IS-700 and NRP IS-800 training courses as provided by the Emergency Management Institute.*

At a minimum, personnel who report to your Emergency Operations Center (EOC) when it is activated and their alternates must complete both courses. Upon completion of the courses, please retain copies of all course completion records at your office.

These courses must be completed prior to September 30, 2005.

2. *Adoption of NIMS concepts and policies through the passing of a resolution by your jurisdiction.*

This resolution must be passed prior to September 30, 2005.

3. *Submission of a NIMS assessment for your jurisdiction through the NIMCAST system under Michigan's account.*

If you are not able to log into the system, please ask for a new password by clicking on "Generate a New Temporary Password" under the login area on the NIMCAST homepage at www.fema.gov/nimcast. A new password will be emailed to you. ***The requested submission due date was September 15, 2005. If not already complete, please submit your NIMCAST immediately to allow adequate time to review your assessment prior to submittal to the NIMS Integration Center (NIC).***

Upon application of FY 2006 homeland security grant funds, you will be asked to certify that you have met the minimum FY 2005 requirements. If you are audited, the NIC has the ability to retrieve your NIMCAST submission information as well as course completion records. Please contact Jim Reardon at 517-333-5017 or reardonj@michigan.gov if you experience any difficulty completing the NIMCAST. Please call your District Coordinator if you have any other questions.
